## Sponsorship Letters

### Band Account Fundraiser

**Sponsorship!!!** Help lower your band account fees by sending out sponsorship letters. Send out personal letters to friends, family, doctors, dentists, orthodontists, neighbor, anyone who would be supportive of the STMAA program. They can then send in any dollar amount they wish, 100% of which will go directly to your child's band account. Have your child help you write a personal letter about which band they are in, instrument they play, etc., and include a schedule of performance dates so they can attend. Keep them posted throughout the year and send thank you notes!

#### 2010 Concert Season

Volunteers age 18 or older may sign up to work at Shoreline Amphitheatre for the 2010 concert season. All volunteers must be T.E.A.M. trained. Aramark will offer free T.E.A.M. training in March and April 2011. On-line training is available now at a cost of \$40 per person. Expires 3 years from completion date.
